

REMARKS/ARGUMENTS

Claims 1-4 and 5 have been amended.

Claims 12 and 13 have been added.

Claims 6-9, 10 and 11 are as originally presented.

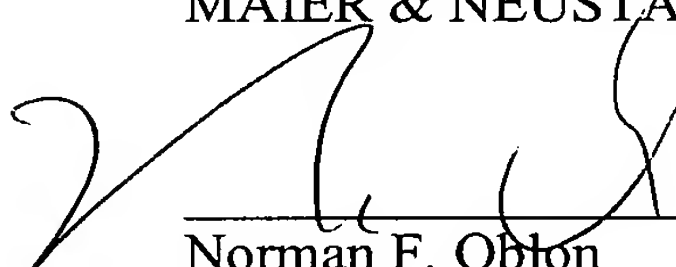

Support for the amended claims 1-4 and 5 is found in the specification on page 10, lines 7-10. The Applicants describe that the "other polymer" may be modified. Therefore, the application clearly also describes the "other polymer" unmodified, as now recited in the pending claims, a polymer having no functional group.

No new matter has been added.

Upon entry of this amendment, Claims 1-13 are active in this application.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
